

SIGN POLICY

The PGA WEST Residential Association, Inc. SIGN POLICY is as follows:

Signs shall be limited to one “for sale, for lease or for rent” sign; signs shall be no larger than 18” x 24” in size; shall be beige and brown in color and shall be affixed to the garage door, except when an extenuating circumstance exists. When an extenuating circumstance exists the Architectural Committee shall have the authority to grant permission to place one staked sign on the street side of the unit. If one desires to place a staked “open house” sign in front of a unit, the sign on the garage door shall be removed while the open house sign is in place. Open house sign may be affixed to the garage door or staked. In no instance shall there be more than one sign visible. Architectural approval must be gained prior to the installation of any sign not adhering to the above stated guidelines.

If your garage door is the metal roll up type, several local sign manufacturers carry magnetic signs that adhere to metal doors without damaging the surface of the door. If you have any questions regarding this policy, please contact the Association office at (760) 771-1234 ext. 15.
