

ATTENTION: PGA WEST Residential Association Owners,

Good news, Spectrum has completed the installation of upgraded WiFi at the 54 pool areas within the Association. The new and improved WiFi is unlimited, and once you activate it on your device, you should be able to access WiFi at all the Res I pool sites.

Here is how to connect:

1. Go to the **Wi-Fi settings** on your device.
2. Select the following network:
 - **SSID:** FREE_Pool_SpectrumWiFi
 - **Password:** None (no password required)
3. After connecting, you will be redirected to a Charter/Spectrum login page.
4. Review the **Terms of Use** and click **"Accept and Continue"** at the bottom of the page to access the internet.

If you encounter any issues with the WiFi at the pool areas, please do not hesitate to contact the Member Service Center at (760) 771-1234 or email at reply@pgawest.org.
