

Dear PGA WEST Residential Association Owners,

As you know, the Association's Annual Members' Meeting and Board of Directors' Election was conducted via Zoom, yesterday, May 19, 2021. Mr. Jan H. Van Willigen, Board President, provided a State of the Association Report, which captured the accomplishments and challenges of your Association in 2020 and provided a glimpse of what is ahead for Res I. [Please click here](#) for a recap of the President's Annual Report.

The results of the 2021 Board of Directors' Election were distributed yesterday; however, we would like to take this opportunity to thank our six 2021 Board candidates, Robbie Banks, Tim Bedokas, Carol Nolte, Gavin Schutz, Kenn Ulrich and Bill Winn, for their interest in serving on the PGA WEST Residential Association Board of Directors. Congratulations to Carol Nolte, Gavin Schutz and Kenn Ulrich for being elected to serve for a two-year term.

As always, if you have any questions or comments regarding the President's Report, or other Association related issues, please contact us, either by replying to this e-mail, or calling the Association office at (760) 771-1234.

Respectfully,
Michael L. Walker CCAM PCAM
General Manager for the Board of Directors
